PMA

(Planned Maintenance Agreement)

We will perform the services on the checklist that apply to your system(s) TWICE a year except for heating only and air conditioning only systems. If additional services or materials are found to be needed at the time of the Planned Maintenance Agreement (PMA) checkup, these services will be performed with your approval and billed accordingly. PMA customers receive a 10% discount on all parts.

Please Note: Prices are based on equipment indicated by the customer. Our Service Technician will verify equipment at the location. Should the equipment not be the same, the price of this agreement could change. You will be notified.

Please check all equipment to be covered.
